Table Discussions

1. What agencies are willing to serve as pilot sites to identify, screen, and enact supportive policies and procedures? Please complete the sign-up sheet. What do you see as the challenges for pilot sites?
2. Of the services listed in the plan, which is the most important to have available? Are there other services, not listed, that should be added?
3. What strategies should be used to make agencies and families aware of the needs of and resources for children of incarcerated parents?
4. What advice do you have for the coordinating agency and the collaborative board on how to most effectively promote improved recognition of and responses to children of incarcerated parents?
5. Of all of the responses you have just discussed, what is the **1 most important recommendation** that is essential to better serving CIP?
