

Do you know a teen who needs a positive peer group?

The Youth Advocacy and Leadership Coalition (YALC) is a civic leadership program for youth ages 13 to 18 in Cuyahoga County. The YALC develops young adult leaders by training and supporting them in advocating for youth issues and links them to their communities through service learning experiences.

What can a teen expect when they join?

Teens will improve their:

- leadership knowledge
- interpersonal communication skills
- self confidence
- ability to work in partnerships on the county, state, and national level
- understanding of public policy and local governments
- friendships, life experiences, and future!

YALC is operated by Ohio State University Extension (OSUE) of Cuyahoga County.
